No. 07-2029

JOHN R. HALLUMS, JR.
Petitioner - Appellant

v.

LOIS RUSSO
Respondent - Appellee

**ORDER OF DEFAULT
Entered: September 20, 2007
Pursuant to 1st Cir. R. 27(d)**

On July 13, 2007, this court notified appellant that this case could not go forward unless a certificate of appealability issues. The appellant was directed to file an application for a certificate of appealability in the district court and to file a status report with this court. On July 19, 2007, the district court docket reflects that a request for a certificate of appealability was filed. However, this court has not received a status report every thirty days.

The appellant is in default as to this request. **The appellant is directed to file a status report in the court of appeals by October 4, 2007, and every thirty days thereafter until the district court rules on the request for a certificate of appealability. We further order appellant to inform this court immediately once the district court reaches a decision on the application for a certificate.**
